Hamilton's Most Progressive Store

We use this entire page to invite you to make use at any time of our bright, up-to-date store and to inspect the many new lines we are continually passing into stock

---

NOTE—Our business, built upon up-to-date, broad principles, has grown with such strides that we found it necessary to add during the year, the two large stores to the east of us—No. 56 King Street East and 61 and 63 King Street East—this splendid addition of over 15,000 square feet has made this one of Hamilton's largest stores—with the largest frontage in the entire city. With a store such as we have here to-day, we look to do an enormous business during 1906.

We invite your patronage during the year, and can promise you a thoroughly well selected stock—combined with the best service in the entire city.

Dry Goods and Carpets Only

As we handle only Dry Goods and Carpets, we are able to devote our whole time to the study of these lines, with the result that we are able at all times to give you greater variety, more exclusive novelties and better prices than are usually to be had. Test this for yourself.

We invite you cordially to make this yonr buying headquarters and to help us make 1906 the greatest ever known in Hamilton's history.

PREFACE

IN presenting the **Thirty-Third Annual Edition** of the **City of Hamilton Directory,** I thank the business men and patrons of the Directory generally for the very liberal and enthusiastic support they have given me and for the substantial increase in advertising. As my last edition proved very satisfactory, I am quite confident that the present volume will be still more so, it containing more information, and no expense, time, or labor being spared to make it most accurate.

In the Miscellaneous Directory will be found the names of the new officers of the various societies, etc., and the City Council and School Trustees for 1906. In due time my canvassers will call on you for the renewal of your patronage.

Wishing my subscribers a prosperous year, I remain,

Respectfully yours,

HENRY VERNON,

This fact is so fully attested to by the large number of acknowledgements constantly being received from satisfied policy-holders, expressing their entire appreciation of the excellent results obtained.

North American Life Solid as the Continent

L. GOLDMAN, Esq.,
Managing Director North American Life,
Toronto, Ont.

DEAR SIR:

Permit me to thank you for your cheque amounting to $1,093.80, the same being the cash value of my Whole Life Policy in your Company for $2,000, received to-day through your representative, W. J. Waters.

During the 20 years I paid your Company $1,074.00, and have now received a cheque for $19.80 more than I paid in premiums, besides having the risk carried on my life for $2,000 for 20 years.

This policy being on the All Life Plan, these results I consider very satisfactory. It is pleasing to know that it is possible to secure such reliable insurance in a sound financial Company like the North American Life, at a cost very much less than Assessment insurance.

Yours truly,

Hamilton, Ont. (Dr.) R. J. HUSBAND.

"THE PRINCE OF AMERICAN PENMEN."

"Prof. C. H. Clark, the Prince of American Penmen, has been awarded first prize in a contest open to the world, and it is believed that no other penman has ever lived that can excel his specimens in variety, style or beauty. His new methods of Muscular Training in penmanship are as superior as his elegant penwork, and have given him a national reputation as a teacher. He is certainly one of the most distinguished penmen and teachers the profession has ever produced."—O. G. Hurson, Artist Penman, Palmer House, Chicago.

"Prof. Clark is one of the best and ablest penman in America, bar none. In May, 1893, in the Penman's Art Journal Contest, New York, he was awarded first prize for championship of America, and has taken other prizes in many contests."—Columbian Exposition News, Chicago, Ill.

"Words fail to describe the ease and grace, delicacy of touch and exquisite beauty of his writing. His originality, too, is wonderful. Birds, scrolls, quills, swans, eagles, etc., flow from his pen as by magic. He is nndeniably one of the greatest penman the world has ever seen."—W. A. Drew, President, Lakeside Business College, Chicago, Ill.
